On behalf of the CAS Panel

Re: *Floyd Landis v. United States Anti-Doping Agency*
CAS 2007/A/1394

Dear Messrs. Williams, Paulsson and Rivkin:

I am writing the Panel in connection with the testimony of Dr. Wolfram Meier-Augenstein. I have been in frequent communication with Dr. Meier-Augenstein over the past weeks and have learned that he has taken quite ill. He has asked me to communicate to you that he wishes the Panel to accept his prior testimony as current testimony, and regrets his current inability to participate in the proceeding.

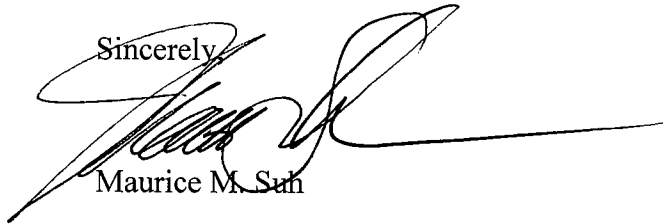

While he is willing to execute a declaration to the foregoing effect, he has been too ill to do so. If the Panel wishes, I will inquire over this coming week to see if he is available to execute such a declaration.
